The True colors of Universe

25
Years
EXPERIENCE

We are a Star Export House & one of the biggest manufacturer & processor of Granite, Marble and Sand Stone in India.

Universal Granitarmmo Pvt Ltd., started in June 2013, is one of India's biggest providers and exporters of granite, marble, sandstone, slates and quartzites, cobbles, pebbles, and quartz. We combine the world's highest quality materials with cutting edge technology to create worktops that are visually stunning and precisely measured to meet your requirements. With a lot of expertise in customer requirements and global market demands, we spent several years developing relationships with the best quarries and suppliers around the globe.

We have manufacturing units set up all over India, including Jalore, Jaipur, Ongole, Ajitgarh and Karimnagar, and many more coming up in the future. Since opening for business, we have delivered a professional and affordable service as well as excellent customer support and can boast of many repeat clients and customers.

We have provided our services all over India and abroad, right from the Presidential Palace in Abu Dhabi to major airports, big hotels, and metros. We offer natural stone flooring, wall cladding, bath surrounds, vanities, monuments and anything else your heart desires.

We export to several countries like Vietnam, Singapore, Malaysia, UAE, other Gulf Countries, Russia, Afghanistan, Kazakhstan, Morocco, Algeria, Egypt, Lebanon, Libya, Turkey, Kenya, Europe and the US, and many more.

WE are
Committed
to the process to
accomplish an
uncompromising result.

Our Journey

2013

Universal Granimarmo Pvt Ltd. was born and started its export at our head office in Jaipur.

2014

We expanded and started as a trading unit and slowly grew.

2015

We set up a plant in Jalore, one of the biggest and finest manufacturing plant factory.

2016

We established a unit named 'Universal Rocks India' in Karimnagar, one of the biggest and finest stone manufacturing unit with latest manufacturing cutters, 16 head line polishing machines with S-Curve technology, and more.

2017

We upgraded and expanded with the latest automatic machines in our all units.

2018

We laid the foundation of another factory at Ongole, Andhra Pradesh.

2019

Our Ajitgarh factory was set up with the latest machines

2020

Awarded with 2-star prestigious export house status by the Government of India, congrats to us. We then expanded our plants with latest machineries to Jalore and Karimnagar.

2022

We set up a High-end Quartz manufacturing plant with Breton polishing technology.
